Exercising Political Rights - Revision of Sub Section 3:7,
Chapter XXXII of the Establishments Code

It has been decided at the meeting of the Cabinet of Ministers held on 01.10.2019 to revise the provisions regarding the service station and transfers of the field officers who are entitled to exercise political rights, with the inclusion of a new sub section as 3:7:1 as follows to the sub section 3:7, Chapter XXXII of the Establishments Code.

3:7:1 However, in case where the officer is a field officer and elected as a member of a Local Government Institution whilst serving in a service station outside the area of Local Government Institution in which the officer contested, he/she should not be attached to a service station situated within the area of the Local Government Institution to which the officer contested. Action should be taken to grant, on the request of the officer concerned, a transfer to a close service station situated outside the area of the respective Local Government Institution.

02. These provisions shall be effective from 01.10.2019
