Maintaining the Public Service under Normalcy

Your attention is drawn to Public Administration Circular 02/2021(V) dated 01.10.2021 on the above matter.

02. The Government has allocated a large sum of money for the year 2022 for development activities such as agricultural, industrial, livelihood development and infrastructure development. The contribution of the public servants is vital for achieving rapid development through proper management of that money. In view of this, it has been decided to suspend the provisions of paragraphs 02, 03, 04, 05, 06, 08 and 14 of the above circular with effect from 03.01.2022, whereas the provisions containing health guidelines to be followed to prevent the spread of the Covid-19 virus, will remain unchanged.

03. Accordingly, action should be taken to call public officers for duty on regular basis with effect from 03.01.2022.
