03. Applications should be forwarded through this system by the Cabinet Ministry, State Ministry, Chief Secretary to the Provincial Council or Special Expenditure Unit Offices (Presidential Secretariat, Prime Minister's Office, Commissions and other similar institutions) to which the officer belongs.

* NB

When an officer is working in a Central Government Department / Institution, application should be forwarded through the Cabinet or State Ministry to which that Department / Institution belongs, with the recommendation of the Secretary to the relevant Ministry, and when the officer is working in an institution belonging to a Provincial Council, the application should be submitted by the Chief Secretariat of the relevant Provincial Council

04. With regard to the institutions mentioned in No. 03 above, facilities have been provided for the officers who are in charge of the personal files of the officers in All Island Services, to create separate usernames and related passwords in the system.

05. When submitting applications using this human resource management system, it is not necessary to send hard copies to this Ministry by post and it is sufficient to scan and upload the documents related to each application. However, it is mandatory to file the originals of the relevant applications and related documents in the personal file of the officer.

06. Applications mentioned in 02 above should be forwarded to this Ministry from now on only through the new Human Resource Management System. Applications received by post after 2021.11.30 will be returned.

07. Further instructions on using this system and reporting can be obtained via T.P. 011 - 2698605.

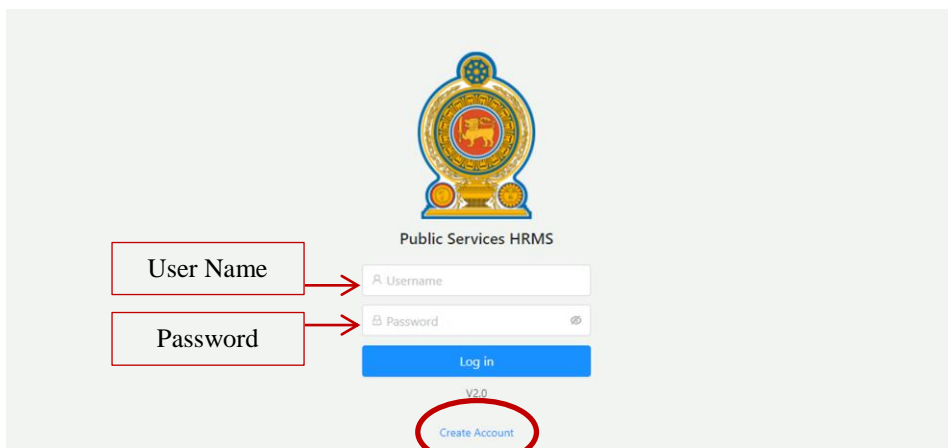

08. It is expected to use this information system for officers in all island services in the future, and I highly appreciate your support in making this project a success, which will enable us to enhance the efficiency and quality of our public service through the use of information technology.
