## Applying for an Australia Awards Scholarship

### Australia Awards scholarships in Sri Lanka

As set out in DFAT's Sri Lanka COVID-19 Development Response Plan, Australia's development cooperation program in Sri Lanka contributes to three objectives: health security, social stability and economic recovery from COVID-19, with a focus on inclusion and addressing vulnerability. The objectives of the Australia Awards Scholarships program in Sri Lanka are likewise guided by the Response Plan.

Australia Awards scholarships are prestigious international awards offered by the Australian Government to the next generation of global leaders for development in post-COVID Sri Lanka. Through study and research, recipients develop the skills and knowledge to drive change and help build enduring people-to-people links with Australia.

Applicants are assessed on their professional and personal qualities, academic competence and, most importantly, their potential to positively contribute to Sri Lanka's development.

Applications are strongly encouraged from eligible women, people with disability, those working in the disability sector and people working in the following priority districts:
