### Non-annual transfers of the Development Officers in the Combined Service

Providing appointments to the new graduate trainees are currently being processing and they will be attached to various government institutions in the country.

02. Therefore, I hereby inform you that all the activities related to non-annual transfers of development officers in the combined service, other than the transfers which the transfer orders issued up to now will be carried out as normal after 14.01.2022, in order to avoid any problematic situation where officers and institutions will face when carrying out non-annual transfers of other officers in the Development Officers' Service in line with the acceptance of appointments of new officers.

Sgd/ S. Alokabandara
